Dear Mr. Krishnamurthy,

Re: **US Patent Application No. 10/527,198, Zakai *et al***

We would like to bring to your attention the following publication, GB Patent 2083 to Meinecke *et al*, that is particularly relevant to the above referenced application but has not been cited in the List of References cited by the Applicant and considered by the Examiner in respect thereof

Attached is a copy of this prior art document for your review.

Very truly yours,
/DG/
